CUMULATIVE INDEX
VOLUMES I — XIII

Abstract Data Processing and Retrieval System, Office of Research Administration. James T. Koppenhaver. Volume II, Number 4, Spring 1971.

Academic Interdisciplinary Research: Characteristics of Successful Projects. Philip H. Birnbaum, Volume XIII, Number 1, Summer 1981.

Accountability in Research: Implications for University Based Research Programs. Rex Stockton. Volume XIII, Number 1, Summer 1981.

Accounting for Human Assets. Max E. Rumbaugh, Jr. Volume V, Number 3, Winter 1974.

The Acquisition of Buildings and Equipment by Debt: A Viewpoint of OMB Circular A-21. Ronald B. Kaiser. Volume XII, Number 4, Spring 1981.

Administrative Aspects of Human Experimentation. George W. Irvine. Volume III, Number I, Summer 1971.

Affirmative Action: An Academician's Viewpoint. Donald P. Kommers. Volume IX, Number 2, Fall 1977.

Affirmative Action Critics: A New Mythology. Betty Newcomb. Volume IX, Number 2, Fall 1977.

Affirmative Action: Where Are We Now? Leonard Bierman. Volume IX, Number 2, Fall 1977.

An Alternate Consent Procedure in Blind Research. David S. Rubin. Volume XII, Number 4, Spring 1981.

An Exchange Mechanism for University Research. David M. Currie, Volume IX, Number 4, Spring 1978.

Assignment, Utilization and Licensing of Patents—A Comparison by Classification. Herbert J. Davis and Wallace R. Johnston. Volume VII, Number 4, Spring 1976.

Basic Guidelines for Research Administrators—Working Relationships. Betty L. Stevenson. Volume V, Number 2, Fall 1973.

The Budgeting of Industrial R&D Projects: A Review of the Literature. Alejandro Schnarch. Volume XI, Number 2, Fall 1979.

Building a Climate for Individual Growth. J.H. Thompson. Volume III, Number 1, Summer 1971.

The Care and Feeding of Professionals. J.A. Babcock. Volume VIII, Number 3, Winter 1977.

Career Development in Research Administration. Richard L. Snyder. Volume V, Number 1, Summer 1973.

Career Development of Technical Personnel (Summary). Donald C. Pelz. Volume I, Number 1, Summer 1969.

Career Planning, or "How Do I Get Ahead Around Here?" Neil H. Thompson. Volume XI, Number 2, Fall 1979.

Changing Patterns in the Rights of Medical Patients. James L. Goddard. Volume VI, Number 2, Fall 1974.

The Changing Research Climate—New Challenges to Research Administrators. Joseph L. Libsch. Volume VII, Number 3, Winter 1976.

Characteristics, Responsibilities and Training Needs of the Research Administrator. Rex Stockton and Robert E. Krebs. Volume VIII, Number 2, Fall 1976.

A Checklist for Personnel Assigned to Posts in Developing Countries. Hilbert Morales. Volume IV, Number 2, Fall 1972.

The Common Denominator. Raymond J. Woodrow. Volume IX, Number 3, Winter 1978.

The Community College: The Role of Institutional Research and Data Gathering. Peggy S. Lowry. Volume X, Number 2, Fall 1978.

A Comparative Analysis of the Major Research Administrative Organization. Kenneth L. Beasley. Volume III, Number 1, Summer 1971.

Comparative Research Environments. David W. Canham, Jr., Austin J. Cunningham, Joseph C. Mangine and Jacob Yarin. Volume VI, Number 3, Winter 1975.

Computer-Assisted Research Administration. R. Alan Burt. Volume XII, Number 1, Summer 1980.

A Computer-Based Management Information System for Research Space Utilization. R. Wilburn Clouse. Volume III, Number 3, Winter 1972.

Computerized Faculty Information System. John A. Rodman. Volume IX, Number 2, Fall 1977.

Computerized Management Information and Reporting Systems for Sponsored Projects. John A. Rodman and Carl M. Peters. Volume XI, Number 4, Spring 1980.

The Consciences of the Research Administrator. Richard L. Snyder. Volume II, Number 1, Summer 1970.

Conservation of Research-Support Activities. Henry J. Tanner. Volume VI, Number 2, Fall 1974.

A Consortium Approach to Pre-Award Grant/Contract Services. John A. Rodman. Volume X, Number 4, Spring 1979.

The Consortium in Scientific Development. J.H.U. Brown. Volume IX, Number 3, Winter 1978.

The Core Facilities Research Center. Cecil K. Drinker. Volume VIII, Number 3, Winter 1977.

A Cost Analysis of a University Research Administration Library. Oliver D. Hensley and Kathleen Williams. Volume XII, Number 4, Spring 1981.

A Cost Analysis of a University Research and Administration Library. Oliver D. Hensley and Kathleen Williams. Volume XIII, Number 1, Summer 1981.

Cost Sharing is Wrong, Wrong, Wrong! Frank H. Patterson. Volume V, Number 2, Fall 1973.

Creativity and Risk Taking. Jon Dunnington. Volume XII, Number 4, Spring 1981.

Credit Cards for Improved Cost Assignments. Gary C. Matteson and Stephen R. Smiriga. Volume VIII, Number 1, Summer 1976.

Criteria for Effective R&D Management Within Government Science Organizations. Balwant Bheneja. Volume XI, Number 3, Winter 1980.

Cross-Impact Analysis: A Technique for Managing Interdisciplinary Research. T. Harrell Allen. Volume X, Number 1, Summer 1978.

Debt Financing for the Support of University Research Programs. Ronald B. Kaiser. Volume XII, Number 4, Spring 1981.

A Decision System for Matching Faculty to Research Opportunities. H. Albert Napier, Mary L. Morse, Katherine T. Goldknopf and James L. Gumnick. Volume X, Number 2, Fall 1978.

Delphi—The Research Administrator's Oracle. Donald L. Pyke. Volume II, Number 1, Summer 1970.

The Delta Chart: An Aid to Project Management. T. Harrell Allen. Volume VIII, Number 1, Summer 1976.

Development and Implementation of a Faculty Interest Database. Robert C. Bearse and B.D. Maxwell. Volume IX, Number 3, Winter 1978.

Do You Really Want to be a Manager? Jack Balderston. Volume IX, Number 4, Spring 1978.

Drug Enforcement and the Researcher. Kenneth A. Durin. Volume V, Number 2, Fall 1973.

Education for Research Administrators. Herbert B. Chermside. Volume II, Number 2, Fall 1970.

Educational and Expertise Characteristics of Research Administrators Employed at Various Organizations. John A. Rodman and Michael R. Dingerson. Volume XII, Number 3, Winter 1981.

Effort Reporting Alternatives. Stephen E. Selby. Volume XIII, Number 3, Winter 1982.

Energy Management in Research Facilities. Thomas B. Hyde. Volume X, Number 4, Spring 1979.

Entrepreneurmanship. William G. Maas. Volume III, Number 4, Spring 1972.

Evaluating Development Costs for a Proposal to a Federal Agency. Oliver Hensley, Beverly Gulley and Jacquie Eddleman. Volume XII, Number 1, Summer 1980.

Evaluation of Space Utilization for Research Purposes—Can Space Enhance the Creative Process? Earl Walls. Volume VI, Number 2, Fall 1974.

Expanding Business-Higher Education Cooperation on Research and Development. Thomas M. Stauffer. Volume XI, Number 1, Summer 1979.

Faculty Incentives for Research. Harold E. Walker. Volume IV, Number 3, Winter 1973.

Faculty Perceptions of Research Evaluation. Lawrence R. Jauch. Volume VII, Number 2, Fall 1975.

The Federal Government's Science Structure—Past and Present. Gary C. Matteson. Volume II, Number 1, Summer 1970.

Female Dimension: Barriers to Effective Utilization of Women in the World of Work. Margaret Fenn. Volume VII, Number 3, Winter 1976.

Forging Links between Industry and the Academic World. Joseph R. Battenburg. Volume XII, Number 3, Winter 1981.

Foundation-University Relations. Nils Y. Wessell. Volume VI, Number 4, Spring 1975.

"Four File Folder System" for Project Fiscal Management. Herbert B. Chermside. Volume XI, Number 3, Winter 1980.

The Freedom of Information as an Aid to Proposal Analysis. Edward D. Feigenbaum. Volume XII, Number 4, Spring 1981.

From Two Points of View. Jarryl A. Larson. Volume VI, Number 4, Spring 1975.

Government Contracts and Grants for Research: A Guide for Colleges and Universities. Reagan A. Scurlock. Volume VII, Number 1, Summer 1975.

History of the Society of Research Administrators. Richard Nicholsen. Volume I, Number 1, Summer 1969.

The "Honest Brokers." Norman Waks. Volume X, Number 2, Fall 1978.

How to Prosper in a Bureaucracy. Richard L. Mooney. Volume XII, Number 3, Winter 1981.

Identifying Interests and Needs of Social Scientists in a Large University System. Rex Stockton and Sharon Smith. Volume VII, Number 2, Fall 1975.

The Indirect Cost Proposal Dilemma — Short Form or Long Form? Paul Nacon. Volume XII, Number 2, Fall 1980.

Implementing Management by Objectives in Research Administration. William J. Kretlow and Winford E. Holland. Volume VII, Number 1, Summer 1975.

Implementing Procedures for Agricultural-Related Research Contracts in Low-Income Nations. Wayne Clyma, Max K. Lowdermilk, Sidney A. Bowers and W. Doral Kemper. Volume IX, Number 4, Spring 1978.

Improving Research Fiscal Management: A Unitary Computerized Accounting System. Oliver D. Hensley and Glenn Powers. Volume V, Number 3, Winter 1974.

The Independent Information Specialist and the Research Library. Jo and Robert Chanaud. Volume VI, Number 3, Winter 1975.

The Indirect Cost Predicament. Leonard A. Redecke and Bruce Darling. Volume IX, Number 2, Fall 1977.

Industry/Nonprofits/University Interfaces. G.A. Griess, Robert Henderson and Marvin Krasnow. Volume VIII, Number 4, Spring 1977.

Information Sharing. Lawrence S. Wiley, Jr. Volume II, Number 1, Summer 1970.

Information Sources for Research Administrators, Parts I & II. Kenneth L. Beasley. Volume III, Numbers 1 & 2, Summer & Fall 1976.

Inner Management—Swamp Style. Don Burnet. Volume XI, Number 3, Winter 1980.

An Inquiry into Overhead Rates and Distribution Practices. Jack Balderston. Volume V, Number 2, Fall 1973.

An Integrative Approach to University Contract Management. Anthony J. Whitworth. Volume VIII, Number 1, Summer 1976.

The Integrative Aspect of Policy Development for Research Administration. Foster S. Buchtel. Volume V, Number 4, Spring 1974.

Interdisciplinary Problem Solving: Some Actual Teaming Experiences. C.J. Meechan. Volume X, Number 1, Summer 1978.

Interdisciplinary Research as a Form of Research. Dael L. Wolfle. Volume XIII, Number 2, Fall 1981.

Interdisciplinary Research — A Dilemma for University Central Administration. Borje O. Saxberg, William T. Newell and Brian W. Mar. Volume XIII, Number 2, Fall 1981.

Interdisciplinary Research in the Academic Setting. Donald R. Baldwin and Barbara J. Faubion. Volume VI, Number 4, Spring 1975.

Interdisciplinary Research Management in the University Environment. Jack M. Nilles. Volume VI, Number 4, Spring 1975.

Interdisciplinary Research: Performance and Policy Issues. Frederick A. Rossini and Alan L. Potter. Volume XIII, Number 2, Fall 1981.

Interdisciplinary Team Preproposal Management. David F. Gillespie and Brian W. Mar. Volume IX, Number 2, Fall 1977.

Internal and External Communication in University Research Administration. Foster S. Buchtel. Volume III, Number 1, Summer 1971.

Interrelationships between Scientific, Marketing and Regulatory Information. Robert M. King. Volume VII, Number 2, Fall 1975.

Inventory Control and Stores Management. Larry G. Hess and James M. Waters. Volume VI, Number 3, Winter 1975.

Iris: Illinois Research Information System. Peggy S. Lowry. Volume X, Number 4, Spring 1979.

Lighting the Candle at Both Ends: A Recent Thought Trend in Managerial Decisions. Francis W. Wolek. Volume VI, Number 3, Winter 1975.

Long-Term Exploratory Research at EPA. Raymond A. Shapek. Volume XIII, Number 1, Summer 1981.

A Management Aid for the Planning of Research Salary Support in University Research Centers. Bruce M. Smackey. Volume VI, Number 4, Spring 1975.

Management Audit of a Research Institute. John W. Crim. Volume IX, Number 4, Spring 1978.

Management and Effectiveness Measures for Interdisciplinary Research. Douglas A. Benton. Volume VII, Number 4, Spring 1976.

Management by Objectives for Research: A Contingency Approach. H. Dudley Dewhirst. Volume X, Number 1, Summer 1978.

Management of a National Center, Part 1. Harry R. Albers. Volume VII, Number 1, Summer 1975.

Management of an Institutional Review Board for the Protection of Human Subjects. J.H.U. Brown, Lawrence S. Schoenfeld and Patricia W. Allan. Volume X, Number 1, Summer 1978.

Management of Change. Margaret Fenn. Volume IX, Number 4, Spring 1978.

Management of Inventory in Research and Educational Organizations. Gary C. Matteson and Robert C.

Challey. Volume III, Number 4, Spring 1972.

Management Technologist. Thomas Bukowski, Gary Reeves and Lawrence Jauch. Volume IX, Number 4, Spring 1978.

Management of Unrecovered Indirect Costs. Donald R. Baldwin. Volume VI, Number 2, Fall 1974.

The Management Technologist. Thomas W. Bukowski, Gary R. Reeves and Lawrence R. Jauch. Volume X, Number 1, Summer 1978.

Managers of Change. John A. Turner. Volume IV, Number 1, Summer 1972.

Managers' Responsibility: Identification and Development of Future Managers. John J. Fabrizio. Volume IV, Number 4, Spring 1973.

Managing Research Scientists: Problems, Solutions and an Agenda for Research. Howard L. Smith and Waneta C. Tuttle. Volume XIII, Number 4, Spring 1982.

Managing Technical Information Resources in Industry. Clifford L. Tierney. Volume VII, Number 4, Spring 1976.

A Measure of Productivity in University Research. Joseph A. Nava. Volume VII, Number 1, Summer 1975.

Meeting Submission Deadlines—A Shared Responsibility. Andrew L. Nachby. Volume XI, Number 2, Fall 1979.

A Method for Peer Group Appraisal and Interpretation of Data Developed in Interdisciplinary Research Programs. James M. Sharp and James L. Gumnick. Volume XIII, Number 2, Fall 1981.

M.I.T.'s Industrial Liaison Program. James D. Bruce and Kay Tamaribuchi. Volume XII, Number 3, Winter 1981.

Mistake in Correction: Some Reflections on the Impact of Organizational Dysfunction Upon Research. Robert A. Falcier, Edward J. Foy and Francine Watman. Volume V, Number 1, Summer 1973.

A Model for Inter-Institutional R&D Administration and Industry/University Relations. John A. Rodman. Volume XIII, Number 4, Spring 1982.

A Model for the Application of Alternative Research Planning Techniques. James W. Smith, Robert H. Meese and John L. Yeager. Volume IV, Number 4, Spring 1973.

More Accountability in Federally Funded Academic Research: A Costly "Bill of Goods." Richard Sessions and Tom Collins. Volume X, Number 3, Winter 1979.

Motivating the R&D Professional. David R. Mounce. Volume XI, Number 2, Fall 1979.

Multidisciplinary Education: A General Framework. David L. Jameson. Volume X, Number 3, Winter 1979.

Multiple Paths of Progress Program (A Sub-System in the Human Resources Development System Design). Robert K. Rollf, Volume I, Number 1, Summer 1969.

NASA Automated Purchase Order System. Joseph E. Rokovich and Larry G. Hess. Volume XII, Number 3, Winter 1981.

The National Council for Science and Technology. Alejandro Carrillo Castro. Volume VII, Number 4, Spring 1976.

The Need and a Method for Determining the Authority Relationships of the Research Administrator. J. William Smith. Volume III, Number 3, Winter 1972.

Non-Traditional Approaches to Technological Utilization. Arnold C. Cooper and Arthur J. Riggs, II. Volume VI, Number 3, Winter 1975.

The Office of Research as an Advocate for Faculty Members in the Promotion of Research. James L. Gumnick. Volume XI, Number 1, Summer 1979.
